WHAT'S THE NO. 1 FEAR TRIAL ATTORNEYS FACE?

The thought of Halloween, which just passed, had many people thinking about what scares them. As a kid, you might be scared of the dark closet in your room. You know what's in there, but the darkness is so terrifying that you don't feel safe until the door is securely shut. Even the dark space under your bed might be the home of a terrible monster waiting for ...

LET KIDS PLAY A ROLE THIS THANKSGIVING

Thanksgiving is more than just a feast; it's about coming together as a family and being thankful for one another. So why wait to get into the spirit until everyone is seated at the table? Here are a few ways you can make the actual preparation of Thanksgiving dinner fun and engaging for the whole ...
